 Hibernating fully fed larvae. Artificial cold treatment of, 189.
 Ireland in the post-war years. A Review of some Macrolepidoptera in, 161.
 Lepidoptera Distribution Maps Scheme, 100.
 Lepidoptera of the Burren, Co. Clare, W. Ireland, The, 115.
 Light Trap. Good years and bad years at the, 177.
Lythria purpuraria (L.) (LEP.Geometridae: Larentiinae). A new record of, 194.
 Macrolepidoptera in Ireland in the post-war years. A Review of some, 161.

- Mere, Robin. A Personal Appreciation, 105.
 Mere, Robin, in the Field, 110.
 Mere, Robin M. A List of the Entomological writings of, 111.
 Mere, Robin M. The late. As a collector, 107.
 Mere, Robin Marcus, 103.
 • Migrants. Some rare and early. (Lepidoptera), 56.
 Neuroptera and their Parasites. Trap banding as a collecting method for, and some results obtained, 37.
 News and Views, 55.
 Nomenclature of British Lepidoptera. Some changes in, 45, 47, 153.
Parornix alpicola (Wocke) (Gracillariidae) and other Lepidoptera feeding on *Dryas octopetala* L. in Scotland, 69.
 Petiver, James, 197.
Rotruda carlinella carlinella (Heinemann), (LEP.Pyralidae:Phycitinae). An illustrated note on the biology of, 195.
 Somerset Seaside Garden. The Butterflies and some Moths of, 95.
Symphorobius pellucidus (Walk.), with a description of the larva (NEUR.Hemerobiidae). Biological notes on, 50.
Thrips (Thysanoptera). The British species of the genus, 13.
 Trap-banding as a collecting method for Neuroptera and their Parasites, and some results obtained, 37.
Zygaena Fabricius (LEP.Zygaenidae) in Scotland in 1966. Collecting, 3.
Zygaena viciae Denis & Schiff. (LEP.Zygaenidae) in West Scotland, with the description of a new subspecies, 159.

PLATES

- Plate 1, Talisker Bay, Isle of Skye: Facing page 4.
 Plate 2, *Zygaena purpuralis caledonensis* Reiss and *Z. filipendulae* L.: Facing page 6.
 Plate 3, British Crambinae: Facing page 48.
 Plate 4, Crambinae (*Catoptria* spp.): Facing page 94.
 Plate 5, The Burren (showing Robin M. Mere): Facing page 116.
 Plate 6, *Bucculatrix merei* Pelham-Clinton sp.nov.: Facing page 156.
 Plate 7, *Zygaena viciae* Denis & Schiffermüller: Facing page 160.
 Plate 8, *Rotruda carlinella carlinella* (Heinemann): Facing page 196.
 Plate 9, "Fourteenth Century Butterfly Nets": Facing page 200.

NEW SPECIES AND NEW SUB-SPECIES

LEPIDOPTERA

Bucculatricidae. *Bucculatrix merei* Pelham-Clinton sp.nov., 155.

Zygaenidae. *Zygaena viciae argyllensis* Tremewan ssp.nov., 159.

SPECIES NEW TO BRITAIN AND OTHER SPECIES
OF SPECIAL NOTE

HYMENOPTERA

Andricus quercustozae Bosc., 10.

LEPIDOPTERA

Catoptria permutatellus Herrich-Schäffer, 91. *Coleophora sylvaticella* Wood., 191. *Euchromius ocella* Haworth, 56. *Heodes tityrus* Poda (*dorilis* Hufn.), 1. *Lythria purpuraria* (L.), 194. *Parornix alpicola* (Wocke), 69. *Rotruda carlinella carlinella* (Heinemann), 195. *Tathorhynchus exsiccata* Lederer, 56.

NEUROPTERA

Sympherobius pellucidus (Walk.), 50.

THYSANOPTERA

Thrips brevicornis Priesner, 18.
